I have chosen to retrieve my Westminster Federal Credit Union periodic account statement to be delivered to me over the Internet via [HFS E-Statements](#). E-Statements are located on the credit union's Internet banking (hfs) site. Westminster FCU will notify you by e-mail when your statement is available.

By signing below, I am also 'Opting Out' of my right to have a printed statement of account mailed to me. (The National Credit Union Administration's Truth in Savings ruling (April 13, 2001) allows Credit Unions to deliver periodic account statement disclosures electronically if the member agrees to this form of statement delivery.)

I may rescind this 'Opting out' option if I chose to, at any time, by letting Westminster Federal Credit Union know in writing.

I wish to 'Opt Out' of receiving my WFCU periodic account statement.
