

Mobile App Installation Instructions

1. On your PC, **login** to your WFCU Internet Banking account and select the **Self Service Tab**.
2. From the Self Service Tab, click on the **Mobiliti link** to sign up.
3. Choose Mobile Banking and Text banking and notifications. On the next page choose all your WFCU accounts that you want to be able to view on your mobile device.
4. On the next page, enter your **cell phone number**. Then retrieve the **verification code texted to you** and enter that code on the Internet Banking site on your PC.
5. **Finish all 3 mobile signup web pages** on your computer prior to downloading & working with the mobile app to avoid any installation problems.
6. Now download the free **Touch Banking** app (from either the Apple App Store or the Android Play Store, depending on which phone you own.)
7. Use the code **gowfedcu1** to activate this app. If your account number is < 6 digits, add leading zeros to your account number on the app to get to at least 6 digits.
8. The Touch Banking app will ask for your Username and Password. **Use your Internet Banking Username and Password** and answer the security questions. (The mobile app and On-line Internet banking use the same username & password)

You can now use this app to check your balances, transfer funds, make loan payments, [Remote deposit capture checks \(RDC\)](#) and get Notifications and Alerts.
