Dividends Declared

The board of Directors declared dividends for the 4th quarter of 2016. The rate paid on Share savings was 0.05% APY with checking accounts still at 0.04% and the Money Market Accounts paying as high as 0.18% APY. These may not seem like great rates historically but please compare our rates to any other financial institution! Dividends are calculated on the average daily balance and paid on the last day of the quarter. Your account must be open at the end of the quarter to receive dividends. Rates may change so please check our website for the latest rates.

Do you hate having to go to the dealerships to buy a new car? Always wonder if you got a good deal, or not? If so, Autotrek is your car buying service. It's IRA Time

A New Year means a new start. It makes sense that now is the best time for investors to add money to an existing IRA account. If you currently don't have one, you might want to consider opening a new account to take advantage of the tax benefits. Whether you are doing a rollover IRA or creating a new IRA account, the money can be used to supplement Social Security and other retirement options. The contribution limit for IRA accounts in 2016 is \$5,500. But if you're older than 50 years old, it's \$6,500. WFCU has both Traditional and Roth IRAs (#40001441).

Another benefit of having your IRA at Westminster FCU is that we do not charge any annual IRA fees!
